NOTE TO Denny Ross *DRR*

Denny -

Per discussion with Dick Major - ACRS on 5/14:

1. No formal agenda has been established for Okrent's subcommittee on May 30 - June 1. At this time, the meeting will include B&W and the staff and the scope will cover:
 - (a) short-term fixes on B&W operating plants
 - (b) actions with regard to ACRS recommendations
 - (c) actions with regard to orders/bulletinsDick will let us know ASAP when the agenda has been established.
2. The ACRS has drafted two additional letters containing additional recommendations on TMI-2 related efforts. Current target is to issue these letters late this week.
3. Dr. Etherington's subcommittee has scheduled meetings at Harrisburg on 6-7 June with Met Ed.
