Defendants

Dear People:

This office is one of the law offices representing approximately 160 Trojan Decommissioning Alliance defendants charged with trespass at the Trojan Nuclear Power Plant last August.

This letter is to make a request pursuant to the Freedom of Information Act as amended. We request that you provide us within the next ten working days the following information: a detailed listing of releases of transuranium series particulates from the Trojan Nuclear Power Plant, Rainier, Oregon (neptunium, plutonium, abaresium, curium, uranium) for examination by our expert witnesses ^{during 1978 & 1979}.

If the cost of copying will be more than \$25.00, please contact me before providing the information. Thank you.

Sincerely yours,
