RE: Freedom of Information Act
Request

Dear Sirs:

This letter is written on behalf of the City of Zion, an Illinois municipality. Pursuant to the Freedom of Information Act, 5-U.S. Code Section 552, as amended, the City would like copies of all directives, reports, memoranda, letters and the like, filed with your agency or with the A.E.C., which deal in any manner with incidents, accidents, mishaps and the like by Commonwealth Edison Company for its Zion, Illinois, Nuclear Power generating facility.

In addition, the City would like copies of all directives, reports, memoranda, letters and the like, which your agency or the A.E.C., originated that pertain to or deal in any manner with accidents, incidents, mishaps and the like at the Commonwealth Edison Company nuclear power plant located in Zion, Illinois.

Further, the City is requesting that any applicable fees for the above request be waived (5 U.S. Code, Section 552(a) 4a) because such information disclosure would clearly be in the public interest and the furnishing of the same could be considered as primarily benefiting the general public.

If you should deny any part of this request, please specify your grounds for doing so. If some documents or parts thereof are considered exempt, please provide us with a copy of the non-exempt portion. However, the City reserves the right

to appeal said denial.

All documents provided under this request will be available for inspection by the public and will become part of the general City files.

I appreciate your time and trouble in this matter and look forward to hearing from you within the statutory time period.

Very truly yours,

Steven J. Handler
City Attorney
