FREEDOM OF INFORMATION  
ACT REQUEST

*FOIA-79-126*

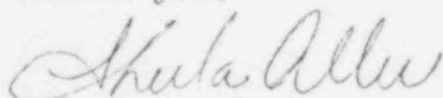

*REC'D 4-18-79*

Nuclear Regulatory Commission  
1717 H St. NW  
Washington, D.C. 20555

This is to officially request all records, files and information the Nuclear Regulatory Commission has on radiation levels in and surrounding the Kerr-McGee Corp. Cimarron nuclear fuel processing plant near Crescent, Okla. United Press International also desires radiation reports on the town of Crescent itself. This request is for all radiation monitoring information (current), including surface, atmospheric, waterway and underground radiation levels.

Under the provisions of the Freedom of Information Act, a reply with the requested information would be greatly appreciated within 10 days.

Thank you.

Sheila Allee  
United Press International  
Oklahoma City

Note: Please denote on the information whether or not the recorded levels are within NRC established safe limits.
