MEMORANDUM TO: The Files
FROM: Betty Wright
SUBJECT: DELAY IN PROCESSING EXPORT LICENSE APPLICATION XSNM01517

Export license application XSNM01517 was transmitted to the NRC via letter dated May 1, 1979, and received May 7, 1979. This letter transmitted two applications; however, only one application (XSNM01509) was processed; the other was overlooked until May 22, 1979 when Mr. Yada of Mitsui & Co. (U.S.A.) Inc. called to check the status of their two applications.

Since this was an NRC oversight, I advised Mr. Yada that I would do everything I could to expedite the application for Mitsui.
