Docket Nos. 50-295  
50-304

ORDER

By motion dated April 27, 1979, the Regulatory Staff moved for summary disposition of subparts (a), (b), (c) and (d) of Contention 2 submitted by the intervenor State of Illinois. By stipulation of these two parties (which stipulation we hereby approve), 2(d) is withdrawn from this proceeding.

On the basis of the pleadings, we determine that no genuine issue of material fact exists with respect to 2(b) and 2(c); hence, the Staff's motion for summary disposition is granted as to those contentions.

The motion is denied with respect to Contention 2(a).

SO ORDERED.
