Re: Docket No. 50-133
License No. DPR-7

Dear Mr. Engelken:

This is in response to your letter dated March 30, 1979 which enclosed I.E. Bulletin No. 79-04 and requested information concerning the use of VELAN swing check valves.

There are none of the subject valves in use or presently planned for use in any piping systems at Humboldt Bay Power Plant Unit No. 3.

Very truly yours,

Philip A. Crane, Jr.
