ATTENTION: Mr. James G. Keppler, Director

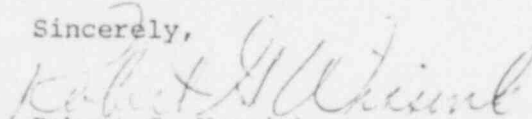

SUBJECT: License No. 22-00057-06

Gentlemen:

Pursuant to 10 CFR 20, Paragraph 20.103 (e) we are hereby notifying you that 3M Company intends to use respiratory protective equipment. The use of such equipment will be in accordance with Regulatory Guide 8.15, "Acceptable Programs for Respiratory Protection".

There have been no changes in our radiation safety program and we have no specific plans for the use of respiratory protective equipment in the future. Our purpose in notifying you at this time is to enable us to use respiratory protective equipment should it become necessary as part of an effort to maintain radiation exposures as low as reasonably achievable.

Sincerely,

Robert G. Wissink  
Chairman, Isotope Committee
