Comments on Security Guard Training and Qualification Plan

Page 5, Section 1.3.1.1.A Minimum Qualification

The minimum age for armed security personnel should be revised to be consistent with the 21 years of age requirement set forth in the regulation.

Page 6, Section 1.3.1.4 Mental Qualification

In addition to the preemployment evaluation of emotional stability, a commitment should be added to provide continued on-the-job observation of security personnel for behavior which may indicate emotional instability.

Page 7, Section 1.3.1.5 Physical Qualifications

This section should include subsection (D-E) addressing incapacitating diseases, and drug/alcohol addiction.

Page 8, Section 1.3.1.6 Physical Fitness Testing

This section should be expanded to include a description of the physical exercise program in sufficient detail to allow its evaluation as a measure of an individual's ability to perform security job-related activities.

Page 8, Section 1.3.1.7 Physical Requalification

This section should be added to insure that security personnel are medically recertified at least every 12 months as qualified to perform assigned duties.

Page 8, Section 1.3.2 Qualification Documentation

Certification of annual requalifications including physical, mental, and weapon testing should be included in this section.

Page 23, Section 3.3.3 Personnel Duress Alarms

Please provide additional information on the verbal duress code system to be employed in lieu of mechanical duress devices.
