DOCKET NUMBER
PROPOSED RULE

PR-4(44FR 26887)⁷

20 June 1979

Secretary of the Commission
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Attn: Docketing and Service Branch

TO WHOM IT MAY CONCERN:

The proposed rule, "Nondiscrimination in Federally Assisted Commission Programs; Application to the Handicapped," meets with our approval.

The Rehabilitation Act and supplementary regulations from Health, Education, and Welfare already necessitate ensuring accessibility for qualified disabled employees to training or other programs in which we participate, and as we understand the proposed rule, it simply clarifies and makes specific the application of this principle to programs and activities funded by the U.S. Nuclear Regulatory Commission.

Sincerely,

JOHN T. LAW
