IN RESPONSE REFER  
TO FOIA-79-147

Dear Ms. Weiss:

This is in response to your letter dated April 26, 1979 in which you requested, pursuant to the Freedom of Information Act, all documents which were transmitted by NRC to the National Security Council (NSC) or to a task force, committee, or an individual member of the NSC in connection with the Three Mile Island incident.

I understand that several members of NRC informally forwarded to the NSC copies of Preliminary Notifications and transcripts of Press Conferences. These notifications and transcripts are already listed in the report and printouts which were provided to you in response to your Freedom of Information Act request 79-100. We have not located any records formally transmitting documents to the NSC.

This completes action on this request.

Sincerely,

J. M. Felton, Director  
Division of Rules and Records  
Office of Administration
