Mr. James C. Malaro, Chief
High-Level Waste Licensing
Management Branch
Division of Waste Management
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Malaro:

We wish to be placed on the meeting notice distribution list for the informational exchange meeting on radioactive waste repositories.

I would also like to recommend that N.R.C. consider holding these meetings where they can obtain the true feelings of the people! Holding a meeting in Washington, D.C. places a hardship on a citizen of Idaho who may wish to contribute but can't afford the travel.

Sincerely,

A handwritten signature in cursive script that reads "Robert D. Funderburg".
