DOCKET NUMBER
PROPOSED RULE **PR-9(44FR 22746)**

Secretary of the Commission
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Attn: Docketing and Service Branch

Dear Sir:

In response to the April 23, 1979 request for comments on the proposed revised regulation 10CFR Part 9, the below comments are provided:

NRC Question No. 1

Yes, it is easily understandable.

NRC Question No. 2

Yes! Good organization and format.

NRC Question No. 3

No changes are required.

NRC Question No. 4

Yes. 10CFR50 Appendix B and the part which describes the NRC's organization and responsibilities should be clarified. In addition, NRC Regulatory Guides need the "plain english" approach.

Very truly yours,

Egon Zadina
Director of Quality Assurance
