DOCKET NUMBER  
PETITION RULE PRM-20-13 (44 FR 11284)

April 11, 1979

Secretary of the Commission  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Sir:

Concerning the PRM-20-13 requiring health physicists to be certified, our agency would like to know to what extent the certification will extend to health physicists employed by state or territorial governments.

In the original petition, it appears that only privately employed health physicists will require certification. However, this point is not made specifically clear.

We would appreciate your comments about who would be required to possess certification.

Sincerely yours,

*Juan C. Rosario, Jr.*  
JUAN C. ROSARIO, JR.
