May 18, 1979

The Secretary of the Commission  
U.S. Nuclear Regulatory Commission  
Washington D.C. 20555

Attn: Docketing and Service Branch

Dear Sirs:

This letter is regarding in vitro uses of byproduct material: addition of veterinarians to the in vitro general license. I am in complete agreement with with the proposed rules change and you have my hearty support. Thank you.

Sincerely yours,
