Re: Docket No. 70-1738
Docket No. 70-2375

Dear Sir:

In accordance with 10 CFR 70.33 Pacific Gas and Electric Company hereby requests the Commission to renew Materials Licenses Nos. SNM-1503 and SNM-1667 extending the expiration dates to October 31, 1979 and February 29, 1980, respectively. Renewal of these licenses is necessary because of additional time required to complete the remainder of the licensing process for the Diablo Canyon Units. The dates selected are designed to take into account the licensing delays which may result from the accident at Three Mile Island.

Sincerely,
