IN RESPONSE REFER
TO FOIA-79-223

Dear Mr. Shea:

This is in further response to your June 15, 1979 Freedom of Information Act request for documents concerning the projected cost of perpetual care for the West Valley and other nuclear waste facilities.

As you agreed in a telephone conversation with Mr. Don Grimsley of my staff, the documents listed in Appendix A, which mention the existence of a "Perpetual Care Fund" for West Valley, are enclosed.

One additional lengthy document, "Waste Storage Agreement Between New York State Atomic Research and Development Authority and Nuclear Fuel Services, Inc," 5/15/63, should be added to the Accession List which was transmitted in our July 11, 1979 response.

Sincerely,

A handwritten signature in cursive script, appearing to read "J. M. Felton".
