Gentlemen:

This letter is to update information concerning admittance of additional NRC personnel to your facility. Reference is made to our letter of May 10, 1979.

Enclosure 1 indicates those NRC Region II personnel for whom permanent nonemployee, no escort required picture badges as authorized by 10 CFR 73.55(d)(5) are requested.

We request that a site orientation relevant to the issuance of badges, escort duties and emergency evacuation be afforded those personnel listed in Enclosure 1 if such training has not previously been provided. The enclosure to this letter is effective upon receipt and will be routinely updated.

Should you have any questions concerning this matter, we will be happy to discuss them with you.

Sincerely,

*William J. O'Reilly*  
James P. O'Reilly  
Director

This certifies that the persons listed below are employees of the U.S. Nuclear Regulatory Commission. To the extent of our knowledge, these persons do not possess adverse character traits or indications of aberrant behavior. These employees have been screened to the national level and their trustworthiness has been determined by a review of the individual's employment records. Based on the above, I recommend that these employees be granted unescorted access to protected and type I and type II vital areas of your facility.

Tobin, W. J.	Q	C0179

A "Q" access authorization is based on a full-field investigation conducted by the Civil Service Commission (CSC), the Federal Bureau of Investigation (FBI) or another U.S. Government agency which conducts personnel security investigations. The other, an "L" access authorization, is based on a National Agency Check (NAC) conducted by the Civil Service Commission.
