CHAIRMAN

Mr. Robert S. Brodsky
Assistant Director for
Reactor Safety & Computation
Division of Naval Reactors
U.S. Department of Energy
Washington D.C. 20585

Dear Bob:

Because of Three Mile Island, it has taken me far too long to thank Captain Batzler, Commander Meinicke and Commander Herson for their efforts in arranging and conducting our visits aboard the FLYING FISH and the NIMITZ. Even more to the point, I want to thank you personally for making it all possible.

Sincerely,
