PROPOSED RULE PR-31.32 (12)

ATTN: Docketing and Service Branch

Dear Sir:

I am writing to support the proposed changes in 10 CFR parts 31 and 32 as suggested by Dr. R. F. Nachreiner. I believe that the logic of his arguments and need for the changes are self evident and wish only to publicly add my support for his petition.

Thank you for your consideration in this matter.

Sincerely,
