Mr. Harold R. Denton, Director
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Sir:

As Licensee for the Trojan Nuclear Plant (Docket 50-344, License NPF-1) and pursuant to your request, dated July 29, 1979, for information on Management and Technical Resources, we are currently compiling information from a Company-wide Management and Technical Resources Survey. This compilation will be completed soon; however, a proper and complete presentation of the information you requested from PGE will not be available by July 30. We intend to submit this information as soon as possible, but no later than August 13, 1979.

We currently intend, at the time of our submittal, to request, in accordance with 10 CFR Section 2.790, that the information be withheld from public disclosure.

Sincerely,

c: Mr. Lynn Frank, Director
State of Oregon
Department of Energy
