RE: NRC BULLETINS 78-12 & 78-12A

Gentlemen:

In accordance with the above listed Bulletins and requirements from Westinghouse and General Electric, enclosed is one copy of our report.

This report includes information from all completed Reactor Vessels constructed by Chicago Bridge & Iron Co.

Very truly yours,

CHICAGO BRIDGE & IRON CO.

A handwritten signature in cursive script, appearing to read 'R E Kelley'.

Chicago Bridge & Iron Company

8900 Fallbrook north Houston road
p o box 40057
Houston, Texas 77040

telex: 710 465 7531

The documentation and information required by NRC Bulletins 78-12 and 78-12A, and GE PO # 205-A2764 for

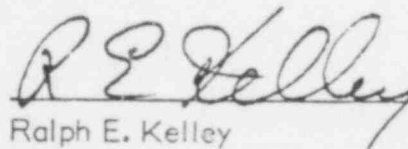

CBI Contract # 73-6735

Vessel Clinton I

are contained in the attached report.

Welding consumables were re-reviewed against the original requirements in accordance with the above listed documents. No deviations were found.

Based upon our records, I certify, to the best of my knowledge, this report is correct.
