Gentlemen:

In response to your letter of June 12, 1979, we have determined that the phased implementation plan described therein is within the scope of those commitments made in your approved Measurement Control Plan. However, if a rescheduling of your first bi-monthly statistical analysis of control data beyond the August 13, 1979 date is anticipated, a request should be submitted for our approval prior to the delay.

Sincerely,

James G. Partlow, Chief
Material Control & Accountability
Licensing Branch
Division of Safeguards
