Re: Freedom of Information Act Request

Dear Sir:

In accordance with the Freedom of Information Act, 5 U.S.C. 552 as amended by P.L. 93-502, this letter requests one copy of the NRC-Washington contract NRC-03-79-126 for "Evaluation of Material Interactions for Advanced Reactor Systems" and one copy of the contractor's proposal and the source evaluation board report that were the basis for contract award.

It is recognized that, pursuant to 5 U.S.C. 552 (b)(4), any confidential business information will be eliminated from the copy of these documents sent to (S). Further, pursuant to 5 U.S.C. (b)(5), the request for a copy of the source evaluation board report does not intend access to any predecision attitudes or deliberations of the board; instead, it includes only the post-decision report of the rationale for final source selection. Finally, it is understood that reasonable established fees for search and duplication of one copy of each of the requested documents may be charged.

Please direct any correspondence or question regarding this request to the undersigned at the address above or by telephone (412-255-3297).

Sincerely,

E. A. Weaver
