Re: Amendment for Export License
No. XB001018

Dear Ms. Wright:

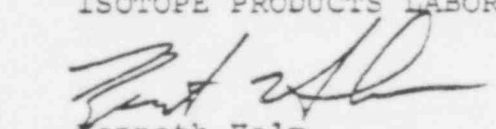

To confirm telephone conversation of July 5th, the ultimate consignee for the Cm-244 in question remains to be Resident Representative of United Nations Development Programme, Nairobi, Kenya.

Because of our inability to secure transportation from California to Kenya, the purchaser; IAEA of Vienna, Austria, has agreed to act as intermediate consignee. They will not use or take final possession of the Cm-244, but merely tranship it to Kenya. We therefore request that Export License No. XB001018 be amended to show International Atomic Energy Agency, P. O. Box 590 A-1011, Vienna, Austria as intermediate consignee.

Thank you for your assistance in this matter.

Sincerely yours,
