Dear Mr. MacDonald:

Reference: Docket No. 71-0248

This letter is to request 30-day extension to the time limit set by your letter of 5 June 1979 regarding our QA program per 10 CFR § 71.51. We received the letter on 11 June and we were to have our program re-submitted by 11 July. Because our original program requires significant revision, it will not be ready until 10 August 1979.

If you have any questions regarding our request, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Robert R. Taylor".
