Mr. Sheldon Meyers
Director
Office of Nuclear Waste Management
U.S. Department of Energy
Washington, D.C. 20543

Dear Mr. Meyers:

Enclosed for your information is a copy of my letter responding to Mr. James N. Neel's letter dated May 31, 1979. The letter to Mr. Neel briefly states the reasons for informing Department of Energy contingency planning staff of our concerns about the future of the Nuclear Engineering Company.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lee V. Gossick".
