TO FOIA-79-291

Dear Mr. Brown:

This is in response to your letter of July 23, 1979, in which you requested, pursuant to the Freedom of Information Act, information concerning the underwater atomic test "Operation Wigwam," conducted in 1955.

The Nuclear Regulatory Commission has no records concerning this test. I suggest you write to the Department of Defense and to the Department of Energy, either of which may possibly have information on this subject.

Sincerely,
