Robert W. Reid  
Chief, Operating Reactors Branch #4  
Division of Operating Reactors  
U. S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Mr. Reid:

Reference your letter of 20 July 1979 requesting a resubmittal of our proposed, new Technical Specifications.

A conversation with Mr. Vissing revealed that the item missing was a notarized request. In this case, a notary is not required as the signature of a military officer is considered a notary and is considered a sworn statement.

Sincerely,

PAUL E. TYLER  
Captain, MC, USN  
Director
