Dear Mr. Coleman:

This is in response to your letter dated July 31, 1979, in which you requested, pursuant to the Freedom of Information Act, the first and second quarter reports on Exposure of Station Personnel in Excess of 3 REM/Quarter Limit.

The Nuclear Regulatory Commission does not publish quarterly reports dealing with overexposures. We do, however, publish an annual report on occupational radiation exposure. A copy of the latest report is enclosed.

This completes action on your request.

Sincerely,
