Director, Office of Nuclear
Material Safety and Safeguards
U.S. Nuclear Regulatory Commission
Washington D.C. 20555

Gentlemen:

This letter is an addendum to our letter of July 13, 1979
which requested irradiated reactor fuel transport route
approval in accordance with 10 CFR 73.37.

Arrangements have been made with Portsmouth Police Department
for an escort consisting of two armed off-duty policemen in
one unmarked escort vehicle to escort every shipment of irradi-
ated reactor fuel from Portsmouth Marine Terminal, Portsmouth,
Virginia to three miles into Suffolk County, Virginia.

If any further information is required please contact our office.

Very truly yours,

Beverly Josephs
Manager
