ATTENTION: Boyce H. Grier  
Director

REFERENCE: IE BULLETIN 80-22: AUTOMATION INDUSTRIES, MODEL  
200-520-008 SEALED SOURCE CONNECTORS

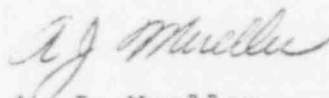

Dear Mr. Grier:

This letter is being written in response to the referenced  
bulletin. The PDM Eastern Division does not currently  
possess or use this equipment. We have made the contents  
of IE Bulletin 80-22 available to our radiographers.

If any additional action is required on our part, please contact  
me.

Respectfully,

PITTSBURGH-DES MOINES STEEL COMPANY

A. J. Mueller  
Radiation Safety Officer
