Gentlemen:

030-01161

The University of Wisconsin-Stevens Point, which holds USNRC Byproduct Materials License number 48-09993-01 (expiration date: 30 September, 1983) hereby requests the following two amendments to that license:

- I. Authorization to dispose of radioactive waste containing radioisotopes with half-lives less than 90 days by the decay-in-storage method
- II Authorization for Dr. Virgil A. Thiesfeld to be added to the list of those authorized to handle radioisotopes (Item 12 Amendment 15)

We furthermore request that the name of Dr. Monica E. Bainter be deleted from Item 12, Amendment 15.

Detailed information on the current license conditions and constraints is contained in Amendment 15 and 17 to the license (a copy of which is enclosed) and the renewal application for the license contained in letters dated 27 March, 1978 and 26 July, 1978. These documents are cited in the two AEC-313 forms included with this application.

Sincerely,

Ronald A. Lokken  
Radiation Safety Officer  
Dept. of Physics & Astronomy  
UW-Stevens Point
