Dear Mr. Davis:

This letter is in response to the November 28, 1980 notice of noncompliance from your office as a result of the inspection conducted on November 18, 1980 at our institution, on our Cobalt 60 teletherapy treatment unit.

Item of noncompliance: determination of timer accuracy was performed less frequently than required.

- (1) Corrective action taken and results achieved: none
- (2) Corrective action to be taken to avoid further noncompliance: determination of timer accuracy will be performed at intervals not exceeding one month.
- (3) The date when full compliance will be achieved: December 4, 1980

Sincerely,

*Lloyd W. Asp*
