MEMORANDUM FOR: John G. Davis, Director
Office of Nuclear Material Safety and Safeguards

FROM: William J. Dircks
Executive Director for Operations

SUBJECT: DELEGATION OF AUTHORITY

This memorandum delegates to you the authority to sign for NRC the Memorandum of Understanding with the Department of Energy to establish arrangements for review and comment by the Commission with respect to the West Valley Demonstration Project.

Since your Office is most directly involved in establishing arrangements for the specified NRC oversight role and has been responsible for reaching these agreements with DOE, I believe it would be appropriate for me to delegate this authority to you. I understand that both IE and ELD are in agreement with the Memorandum of Understanding.
