In the Matter of  
Texas Utilities Generating Company, et al.  
(Comanche Peak Steam Electric Station, Units 1 and 2)  
Docket Nos. 50-445 and 50-446

Dear Mr. Gay:

This will confirm our meeting scheduled for July 19, 1979 at 9:30 a.m. at your office, to discuss the contentions ACORN has proposed in this proceeding.

As indicated during our recent phone conversation, I will be accompanied by Mr. Chandler and Mr. Spottswood Burwell, the Staff's Licensing Project Manager responsible for the review of the Comanche Peak application. Mr. David Preister of the Texas Attorney General's Office, will also be present. In addition, it is expected that Mr. Nicholas Reynolds, possibly accompanied by a representative of the applicants, will attend our meeting in an effort to determine whether agreement can be reached on contentions.

Sincerely,

*Marjorie B. Ulman*
