Dear Sir/Madam:

In an effort to maintain current information about the research and development efforts sponsored by your Commission, and to maximize NES' responsiveness to your future developmental needs, we periodically request information about your projects that your Commission has selected for funding. For that reason, I would appreciate receiving the following information, as per the Freedom of Information Act, about your project entitled, "Standards for Psychological Assessment of Security Personnel", RFP No. RS-OSD-79-002.

1. Number of offerors
2. Names of offerors
3. Name of successful offeror
4. Date the contract was awarded
5. Amount of contract award
6. A copy of the technical proposal of the technical offeror

Thank you very much for your assistance. I look forward to receiving the above information and hope that NES will have the opportunity to work with you in the near future. If there is a charge for copies of the above information, please let us know.

Sincerely,

Janice Pydych
