Gentlemen:

We have reviewed Revision 1 to your Safeguards Contingency Plan submitted with your letter of May 18, 1979 and have determined that your revised plan is acceptable.

In view of the fact that the Physical Security Plan, Safeguards Contingency Plan and Guard Training and Qualification Plan comprise the essential elements of the physical protection program requirements, we have found it appropriate to incorporate, by reference, all of these plans into your license in the Materials and Plant Protection Amendment to your license. We are revising Conditions 9.0 and 9.1, establishing 9.1.A to incorporate the physical security plan, 9.1.B to incorporate the Safeguards Contingency Plan, and 9.1.C to incorporate the Guard Training and Qualification Plan. We are also modifying Condition 9.2 by referring to all of the foregoing plans.

Therefore, in accordance with the foregoing, we are hereby amending Section 9.0 of Materials and Plant Protection Amendment MPP-1 to your License No. SNM-368 by amending License Conditions 9.1 and 9.2 as set forth in the enclosure to this letter, effective 30 days following the receipt of this letter.
