"Freedom of Information Act Request"

To Whom It May Concern:

Pursuant to the Freedom of Information Act, 5 U.S.C. 522, I hereby request copies of the "strip charts" prepared for the transport of Special Nuclear Materials by the NRC Office of Safeguards. I also request (1) copies of supporting documents identifying "safe havens" and capabilities of law enforcement officials to respond to hijacking attempts, and (2) copies of rules and regulations for the preparation of the "strip charts".

If these documents contain classified information, I would appreciate receiving conformed copies. I want to be informed of any expenses in excess of \$10.00 before receiving the documents.

If you do not grant my request within 15 working days, I will deem my request denied and initiate appeal proceedings.

I anticipate your prompt attention to this matter.

Sincerely,

Jeannie Peterson
