Dear Mayor Rennels:

This will confirm my telephone conversation with you on June 20, 1979, in which I informed you of our plan to perform additional radiological evaluations of the material in Reed-Kepler Park. We have issued a Request for Proposal for the evaluation work and expect to complete the Reed-Kepler Park evaluation within about one year. At that time we will be able to make recommendations on the need for corrective action.

I wish to thank you for your cooperation in this matter. We will keep you informed as the work progresses.

Sincerely,

A handwritten signature in cursive script that reads "William A. Nixon".
