Chairman
Nuclear Regulatory Commission
1717 H Street, N.W.
Washington, D.C. 20555

Dear Mr. Chairman:

The Washington Journalism Center is sponsoring a Conference for Journalists on The Energy Crisis from September 17 through 20, 1979 in Washington.

We would like you to participate in the Conference, speaking informally for about 15 minutes and then answering questions for an hour or so.

Fifteen to twenty editors, editorial writers, commentators and reporters from throughout the country will participate in the Conference, which is one of a series the Center has been sponsoring since 1971 to help develop a broader understanding among journalists of key issues in the news.

Attendance at the Conference is limited so that the sessions can be both informal and informative.

We would like you to talk about current nuclear energy issues and lead a discussion at a luncheon session at 12:15 p.m. Wednesday, September 19. The luncheon will be held at the Watergate Hotel, 2650 Virginia Avenue, N.W.

If this time is inconvenient, I am sure that we can arrange a time to suit your schedule.

Enclosed is additional information about the Conference on The Energy Crisis together with material on the Center's continuing Conference program.

We are hoping for an early and affirmative reply and would appreciate your sending a biographical sheet along with your acceptance.

Sincerely,

7908210168
