Dear Sir:

Due to last minute administrative difficulties encountered in finalizing our topical report, PGE-1024, "Trojan Nuclear Plant Security Force Training and Qualification Plan", we will be unable to meet the August 18, 1979 date for submittal. Pursuant to discussions with Mr. Jim Miller of your staff, we request a one week extension, to August 25, 1979, which will allow us to correct these last minute deficiencies. Should you have any questions regarding this request, please do not hesitate to contact me.

Sincerely,

c: Mr. R. H. Engelken, Director  
U.S. Nuclear Regulatory Commission  
Region V I&E
