Attention: Mr. G. W. McCorkle

Subject: General Electric-Vallecitos Nuclear Center Security Training and Qualification Plan

- References: 1) Letter from G. W. McCorkle; comments on GE-VNC Security Training and Qualification Plan, dated May 30, 1979.
2) GE-VNC Security Training and Qualification Plan dated February 1979.

Dear Sir:

Enclosed are six (6) copies of the revised General Electric Company (GE) Vallecitos Nuclear Center (VNC) Security Training and Qualification Plan. Also enclosed are comments on revisions suggested by your office, (Reference 1).

This plan completely supersedes our previous submittal (Reference 2).

Sincerely,

G. E. Cunningham
Sr. Licensing Engineer

ENCLOSURE

COMMENTS ON GE-VNC SECURITY TRAINING AND QUALIFICATION PLAN REVISIONS

- I. PAGE 5, SECTION 1.2.1.1 A MINIMUM QUALIFICATION
Changes have been incorporated as suggested.
- II. PAGE 6, SECTION 1.3.1.4 MENTAL QUALIFICATION
Additions have been incorporated as suggested.
- III. PAGE 7, SECTION 1.3.1.5 PHYSICAL QUALIFICATIONS
Paragraph D was added to address incapacitating diseases and illness recovery as suggested.
Drug/alcohol addiction is adequately addressed in Paragraph A of 1.3.1.5.
- IV. PAGE 8, SECTION 1.3.1.6 PHYSICAL FITNESS TESTING
Paragraph B of this section has been revised to clarify the program for the determination of whether a security officer is physically fit to perform routine and contingency duties at VNC.
- V. PAGE 8, SECTION 1.3.1.7 PHYSICAL REQUALIFICATION
Additions have been incorporated as suggested.
- VI. PAGE 8, SECTION 1.3.2 QUALIFICATION DOCUMENTATION
Rather than adding requalification documentation to this section, Section 1.3.3 was added to identify certification of the physical and mental requalification as suggested.
Certification of weapons requalification is adequately covered in Section 2.2.5.2.
- VII. PAGE 3, SECTION 1.2 CONTRACT SECURITY ORGANIZATION
Changes have been incorporated as suggested.
