Mr. George McCorkle, Chief  
Physical Security Branch  
Office of Nuclear Material  
Safety and Safeguards  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Mr. McCorkle:

Docket 70-8; Revised BCL Safeguards Contingency Plan

Enclosed are six copies of the revised Responsibility Matrix of the BCL Safeguards Contingency Plan. The revised matrix reflects those revisions discussed with your Mr. Jerry Innis on July 2, 1979.

We trust this revised submittal will complete your review and enable you to proceed with final approval of the BCL plan.

Very truly yours,

Harley L. Toy  
NRC Licensing Coordinator
