FREEDOM OF INFORMATION
ACT REQUEST

FOIA-79-311
REC'D 8-7-79

Dear Sir:

In accordance with the Freedom of Information Act I would like to request the locations now in use and any proposed locations for storage of nuclear waste. I would also like a listing of proposed locations for nuclear power plants. This information should cover the United States excluding Hawaii.

I am getting ready to retire and am looking for a small piece of property on which to build a home. I would like this property to be located as far as possible from any disposal or use areas.

I am willing to pay up to \$10 for research and duplicating costs for this information.

Yours truly,

Lyn M. Snyder
