Attention: Mr. Boyce H. Grier, Director

Subject: Beaver Valley Power Station - Unit No. 2
Docket No. 50-412 Construction Permit CPPR-105
Significant Deficiency 79-01
Stop Work Directive for Bingham-Willamette Company

Gentlemen:

Please refer to our second interim report, dated June 1, 1979, concerning the above subject.

A final resolution of deficiencies has not yet been accomplished. An extension of time until August 10, 1979 is requested for the submittal of our final report on this problem.

Please advise your concurrence to this request.
