Dear Mr. Moore:

Subject: AG/1413 - Export of 60 NBS standards to Fabbricazioni  
Nucleari SpA (F.N.), Italy

Enclosed please find the Delegation's application for  
license to export nuclear material, in this case NBS standards  
containing 1.31195 grams of U-235. As the quantity of U-235  
involved is such a small quantity, we would appreciate it if  
approval for the export license could be expedited.

Thank you for your assistance in the above matter.

Sincerely,

  
J. Marchal
