MEMORANDUM FOR: James H. Sniezek, Director, FFMSI
FROM: Boyce H. Grier, Director, RI
SUBJECT: CORRECTIVE ACTION AT THREE MILE ISLAND

As a result of meetings with Metropolitan Edison/GPU management representatives, R. C. Arnold, General Operations Manager/GPU, and J. G. Herbein, Vice President-Generation, held at Three Mile Island on Friday, July 13, 1979 and Wednesday, July 18, 1979, the licensee has agreed to take appropriate action to correct problems we have identified in the TMI radiation protection program. These matters were previously discussed with you. Enclosed is a letter I have received from the licensee confirming the licensee's planned corrective action. Region I will verify that the action is taken as indicated and will evaluate the effectiveness of the action in correcting the problems identified.

Enclosure: Letter from
J. G. Herbein, dated
