In the Matter of  
Sacramento Municipal Utility District  
(Rancho Seco Nuclear Generating Station)  
Docket No. 50-312

Dear Mr. Reed:

As indicated in our recent telephone conversation, I am enclosing:

1. The NRC Staff's Practice and Procedure Digest; and
2. 10 CFR Parts 2 and 50.

I understand that you will be filing a notice of appearance on behalf of Friends of the Earth. Since the request for a hearing was jointly filed by FOE, the Environmental Council of Sacramento, and the Original SMUD Ratepayers Association, it would be advisable for you also to indicate whether you are appearing on behalf of the latter two organizations.

I look forward to meeting you on Tuesday, July 31.

Sincerely,

*Stephen H. Lewis*
