DOCKET NUMBER
PETITION RULE PRM-30-56(44FR28896)

July 11, 1979

United States Nuclear Regulatory Commission
Att: Secretary of the Commission
Washington, D.C. 20555

Reference: Federal Register/Vol. 44 No. 97/Thursday, May 17, 1979
Notice: (PRM-30-56) Gulf Nuclear, Inc.
Filing of Petition for Rule-making.

Gentlemen:

We would like to go on record as being in full support of the referenced petition for dividing the NRC (and, hence, the agreement state programs) into (1) The, Byproduct Materials Branch and (2) The Fissile Materials Branch.

We are a user of sealed sources for industrial radiography and would welcome anything that might help to make regulation more pertinent to our specific programs.

Sincerely yours,

ADIRONDACK STEEL CASTING CO., INC.

W. D. Hollander
Radiation Safety Officer
